## IN THE HOUSE OF REPRESENTATIVES

AUGUST 14, 2020

Mr. GOLDEN (for himself and Mr. STAUBER) introduced the following bill;  
which was referred to the Committee on Small Business

---

## A BILL

To direct the Administrator of the Small Business Administration to establish a grant program to facilitate the provision of high-speed broadband service to small business concerns in rural areas, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Small Business Last  
5       Mile Act of 2020”.

1   **SEC. 2. GRANT PROGRAM TO PROVIDE HIGH-SPEED**  
2                   **BROADBAND SERVICE.**

3       (a) ESTABLISHMENT.—Not later than 180 days after  
4   the date of the enactment of this Act, the Administrator  
5   of the Small Business Administration shall establish a pro-  
6   gram (in this Act referred to as the “Program”) to facili-  
7   tate the provision of high-speed broadband service to rural  
8   small business concerns.

9       (b) GRANT AUTHORITY.—In carrying out the Pro-  
10  gram, the Administrator shall award a grant to each eligi-  
11  ble State that submits an application.

12     (c) ELIGIBLE RECIPIENTS.—

13       (1) ELIGIBLE STATE.—The Administrator shall  
14  award a grant under the Program each year to a  
15  State that submits an application pursuant to sub-  
16  section (d).

17       (2) ELIGIBLE SUBGRANT RECIPIENT.—

18           (A) IN GENERAL.—An eligible State may  
19  award a subgrant under the Program to any  
20  entity, or group of entities, determined by the  
21  eligible State to have the authority and capa-  
22  bility to carry out a project described in sub-  
23  section (d).

24           (B) NOT REQUIRED TO BE ELIGIBLE  
25  TELECOMMUNICATION CARRIER.—A determina-  
26  tion of authority and capability under subparagraph

1 graph (A) may not require a subgrant recipient  
2 to be designated as an eligible telecommuni-  
3 cations carrier under section 214(e) of the  
4 Communications Act of 1934 (47 U.S.C.  
5 214(e)).

6 (d) APPLICATION.—To be eligible for a grant under  
7 the Program, a State shall submit to the Administrator  
8 an application that demonstrates that the State—

9 (1) prior to the date of application for a grant  
10 under the Program, has experience managing a  
11 State or Federal grant program to facilitate the pro-  
12 vision of high-speed broadband service;

13 (2) maintains a State broadband plan;

14 (3) has updated the State broadband plan  
15 under paragraph (2) in the five years prior to the  
16 date a State submits an application for a grant  
17 under the Program;

18 (4) agrees to subgrant any awarded funds to an  
19 eligible subgrant recipient;

20 (5) agrees to conduct a periodic financial audit  
21 of eligible subgrant recipients who have received a  
22 subgrant under the Program;

23 (6) ensures proper disbursement and account-  
24 ing for Federal funds awarded under the Program,

1       including demonstrating that if awarded a subgrant  
2       under the Program—

3                 (A) such award has been used to assist an  
4       eligible project; and

5                 (B) that a State has recovered an award  
6       from a subgrant recipient who has not complied  
7       with the requirements of the Program; and

8                 (7) possesses any other administrative or tech-  
9       nical capacity that the Administrator deems nec-  
10      essary for the success of the Program.

11       (e) ELIGIBLE PROJECTS.—

12                 (1) IN GENERAL.—Grant funds awarded under  
13       the Program may only be used to assist a project  
14       that makes available eligible infrastructure necessary  
15       to provide high-speed broadband service to a rural  
16      small business concern.

17                 (2) RESTRICTION ON DUPLICATION.—

18                 (A) IN GENERAL.—Grant funds awarded  
19       under the Program may not be used to assist  
20       a project that makes available duplicative eligi-  
21       ble infrastructure to a small business concern  
22       located in a rural area.

23                 (B) DETERMINATION OF DUPLICATIVE IN-  
24       FRASTRUCTURE.—

(i) IN GENERAL.—An eligible State shall determine the presence of duplicative eligible infrastructure using broadband infrastructure geolocation data from Federal, State, or commercial sources.

(ii) PROCESS TO CHALLENGE DETERMINATION.—

(I) PUBLICATION REQUIRE-

MENT.—An eligible State shall make available to the public the location of proposed eligible infrastructure for which a subgrant application has been submitted to the eligible State.

## (II) OPPORTUNITY TO CHAL-

LENGE DETERMINATION.—Not later than 15 days prior to the award of a subgrant, an eligible State shall allow a provider of eligible infrastructure the opportunity to submit information regarding the location of such infrastructure so that the eligible State may determine whether a project to be awarded a subgrant will make available duplicative eligible infrastructure.

1       (f) PRIORITY.—In making a grant under the Pro-  
2 gram, the Administrator shall give priority to an eligible  
3 project based on the number of small business concerns  
4 located in a rural area provided high-speed broadband  
5 service by the project.

6       (g) GRANT AMOUNT AWARDED.—In making a grant  
7 under the Program, the Administrator shall award an eli-  
8 gible State the amount equaling the ratio of the number  
9 of individuals in the eligible State who reside in a rural  
10 area divided by the number of individuals who reside in  
11 a rural area in all eligible States that have been approved  
12 under the Program, multiplied by the total amount of  
13 funds authorized to be appropriated under subsection  
14 (k)(2).

15       (h) LIMITATIONS ON A SUBGRANT AMOUNT.—The  
16 amount of a subgrant under the Program—

17           (1) if awarded to an entity providing high-speed  
18 broadband service to a single small business concern,  
19 may not exceed \$15,000; or

20           (2) if awarded to an entity providing high-speed  
21 broadband service to more than one small business  
22 concern, may not exceed \$35,000.

23       (i) FEDERAL SHARE.—The Federal share of the cost  
24 of a project assisted with a grant under the Program shall  
25 not exceed 75 percent.

1                   (j) EVALUATION OF PROGRAM.—

2                   (1) REPORT TO ADMINISTRATOR.—Not later  
3 than 30 months after the date of the enactment of  
4 this Act, each eligible State shall submit to the Ad-  
5 ministrator a report demonstrating the information  
6 required pursuant to subsection (d)(6).

7                   (2) REPORT TO CONGRESS.—Not later than  
8 three years after the date of the enactment of this  
9 Act, the Administrator shall submit to the Com-  
10 mittee on Small Business of the House of Rep-  
11 resentatives and the Committee on Small Business  
12 and Entrepreneurship of the Senate a report on the  
13 Program that includes a description of—

14                   (A) the number of grants awarded under  
15 the Program;

16                   (B) the total amount of funding expended  
17 on eligible infrastructure pursuant to the Pro-  
18 gram;

19                   (C) the number of small business concerns  
20 in rural areas provided eligible infrastructure as  
21 a result of the Program during the two-year pe-  
22 riod beginning on the date on which the Admin-  
23 istrator first awards a grant under the Pro-  
24 gram; and

(D) the number of miles of eligible infrastructure made available pursuant to the Program.

4 (k) AUTHORIZATION OF APPROPRIATIONS.—

8                         (2) RESERVATION FOR GRANTS.—Not less than  
9                         97 percent of funds appropriated for the Program  
10                        shall be reserved for providing grants to eligible  
11                        States.

16 SEC. 3. STUDY AND REPORT ON BROADBAND SERVICE  
17 SPEEDS AND PRICING.

18       (a) STUDY.—The Administrator of the Small Busi-  
19 ness Administration shall conduct a survey of a represent-  
20 ative sample of small business concerns located in rural  
21 areas on—

22 (1) the speeds of broadband service available to  
23 small business concerns located in rural areas;

24 (2) the prices for broadband service available to  
25 small business concerns located in rural areas;

(5) the primary purposes for which small business concerns located in rural areas use their broadband connections and whether their current broadband service enables them to satisfactorily carry out each of these purposes.

13       (b) REPORT.—Not later than three years after the  
14 date of the enactment of this Act, the Administrator shall  
15 submit to the Committee on Small Business of the House  
16 of Representatives and the Committee on Small Business  
17 and Entrepreneurship of the Senate a report on the re-  
18 sults of the study conducted under subsection (a) that in-  
19 cludes policy recommendations for improving the access  
20 of small business concerns to affordable high-speed  
21 broadband service.

22 SEC. 4. DEFINITIONS.
